

# CITIZENSHIP COUNTS

*“Many immigrant and refugee youth are unsure of what it means to be a Canadian citizen, or are unaware of their citizenship status,”*

said Debbie Douglas, Executive Director of the Ontario Council of Agencies Serving Immigrants, an umbrella organization of 200 groups behind the initiative.

*“Complications arise if they try to travel or get charged with a crime. We are confident that [citizenshipcounts.ca](http://citizenshipcounts.ca) will help change that trend.”*
